Letter of Welcome

Esso Golden Ring

Welcome to the 2019 Esso Golden Ring Tournament!

For over 30 years, Imperial has been proud to support the Esso Golden Ring Tournament. As Canada's largest and most successful ringette tournament, the Esso Golden Ring will play host to more than 3,000 participants -- teams of all ages, girls and boys who will experience what has become a tradition of fun, sportsmanship and team spirit. It's a tradition that Imperial takes pride in.

On behalf of Imperial, our employees and our Esso-branded retailers and associates, I want to congratulate the players, parents, coaches and event organizers for their efforts and enthusiasm in making the Esso Golden Ring tournament a success.

Play well, play safe and most importantly have fun.

Letter of Welcome

Esso Golden Ring

On behalf of Ringette Calgary, I would like to extend a warm welcome to each participant, volunteer, and spectator to the 2019 Annual Esso Golden Ring Tournament. This tournament continues to be one of the largest ringette tournaments in Canada and around the world. EGRT is in its 33rd year and we are excited to welcome 169 teams from across the country and over 2500 athletes. Over the course of three days, a total of 326 games will have been played!

Ringette Calgary would like to acknowledge Imperial who is and has been our major sponsor of the tournament for over 30 years. Thank you for your continued support and dedication to EGRT and our ringette community! I would also like to give special thanks to all of our other sponsors. We are immensely grateful as, without your support, this tournament would not be possible.

The Esso Golden Ring Tournament can only be accomplished through the countless hours contributed by the Tournament Committee and many Calgary Ringette community volunteers who donate their time and talents. The organizers, referees, minor officials, coaches, and managers are all to be congratulated for ensuring the success of this tournament.

To all the parents, family members and friends – thank you! Your enthusiasm, support, and time spent traveling from one rink to another to support your athletes does not go unnoticed. This year's tournament theme is "Why do you play?" If you have a moment, please take the time to see an Active Start game. As you watch these young players, you will see why they smile when they miss a pass or why they laugh when they fall. It is simply for the pure joy of playing the game. No matter what age division or level you are competing at this weekend, as each game gets started, I challenge each player to reflect on why you play. It is my sincere hope that, along with your own reasons, you play not just for the win but for the pure love of ringette.

I would like for everyone else to reflect on why you are involved in ringette. Whether you are a spectator, volunteer or mentor, when you do this, I hope you realize the impact you have on our athletes, the friendships and memories you help create and the pure joy our sport can bring.

To those visiting Calgary, I hope you have the opportunity to see all that our beautiful city has to offer and I wish each of you the best of luck in your games this weekend.

Sincerely,

Thu Blackwell, President - Ringette Calgary

Tournament Committee

Esso Golden Ring

A Message from the Chairperson

Hello and welcome to the 33rd Annual Esso Golden Ring Tournament. We are honored to once again be your hosts for three exciting, fast-paced and fun days of Ringette in arenas across our beautiful city of Calgary. We know that many of you are traveling a long way to be here and we appreciate there are other options for a tournament in our province, so we are very grateful you have chosen to be part of the 2019 Esso Golden Ring.

This year's theme for the tournament is #Whydoyouplay? We know we all love Ringette, but we want to hear from all the athletes what keeps them playing. Watch for some fun videos and photos on our social media platforms to see what the players have to say - let's share what makes this our favorite sport!

Speaking of exciting events, don't forget to catch one of the three NRL games this weekend between our very own, Calgary RATH and Winnipeg Intact. Schedule details are on our website, and on Saturday night, 6:15pm at the East Twin Arena, the RATH are hosting a "White Out" game. The team will be wearing their white jerseys and encourage all of their fans to show support by also wearing white. On top of that, the first 100 fans will receive a white RATH skate towel to help cheer on the team! Ringette Canada's mascots, Junior Jacks and Samantha Belle will be on hand, and there will be prizes available courtesy of Ringette Canada! Don't miss the fun!

Our tournament wouldn't be able to operate without the support of our sponsors, and it is important that we recognize all of them - thank you for your generosity! Please take a moment to look at our e-program for a list of all of them. A huge thank you goes out to Imperial for once again being our naming sponsor. We know how fortunate we are to have Imperial onboard, and we definitely don't take it for granted; without them, the Esso Golden Ring would not exist - thank you!

Of course, this tournament couldn't happen without all of our volunteers. From our Tournament Committee, to those who are manning the tables at the arenas, or running the smaller nets for AS and U10 games from rink to rink, all the way to the shot clock operators and timekeepers, we are very lucky to have so many local Calgarians working behind the scenes. Thank you to all of you!

Enjoy the best weekend of the year in our Ringette Community, and travel safely.

Warm Regards,

Judy Renneberg Chair, 2019 EGRT

General Rules

1. The **Official Rules of Ringette Canada** will apply.
2. Teams must be **ready to go on the ice 10 minutes before game time**. Teams not iced within 2 minutes of the referee's whistle being blown to start the game will forfeit the game. The game will be played as an exhibition.
3. **Game Reports are to be picked up at the check-in table of the arena**. They are to be completed and signed by the coach at least 15 minutes before game time and returned to the table. Coaches must declare goaltenders (G), captains (C), alternate captains (A). They **MUST** also declare **affiliate players (AP) / affiliate goalies (AG)** on the game report if any are being used for that game. *It is the responsibility of the team to ensure that both "Ringette Alberta" and the "Tournament" affiliated player rules are followed.*
4. In the case of conflict in uniform color, the **VISITING team** must change their uniforms.
5. There will be at least a 2 minute break between halves.
6. In Quarter, Semi and Final games, the home team is determined by the published schedule.
7. **Length of Halves:**
AS 20 minutes stop time with 2 minute buzzer
U10S1 20 minutes stop time with NO buzzer
U10S2, U10S3, U12 & U14 18 minutes stop time
U16 & U19 20 minutes stop time
*****The game clock will be dropped to 2 minutes when there is 5 minutes of ice time remaining*****
8. **Good sportsmanship** will be stressed throughout the tournament.
 - Any TEAM accumulating **MORE THAN 30 Penalty Minutes** in any ONE GAME, shall see the head coach or acting coach from that game **suspended for their next tournament game**. *(No grievances will be accepted)*
 - A **MATCH penalty** will automatically result in suspension from **all subsequent tournament games** + possible additional games after Provincial Association review.
 - A **MISCONDUCT penalty** will result in a 1 (one) tournament game suspension for players. Coaches will be suspended for **all subsequent tournament games** + possible additional games after Provincial Association review.
9. **Game scores** will be displayed, posted, and recorded for tie-breaking procedures, with a **MAXIMUM SEVEN GOAL** difference.

10. Any team wishing to file a protest may do so by submitting their request in writing, along with \$250, to the Control Centre at the North East Sportsplex. Notification of a protest must be received within one hour of the completion of game or incident.

A grievance committee comprised of five members of the EGRT committee, Ringette Calgary Board and a referee representative will meet to deal with any protests received. (If the protest is upheld the \$250 will be refunded).

No game protests involving referee judgment will be accepted.

THE REFEREE'S DECISION SHALL BE FINAL.

Player Affiliation Rules

For ALL Teams:

Game Reports are checked at the Control Centre for proper use of affiliated players. Teams are required to strike the names of players who are not participating in a game from the game report to ensure proper verification. When using an affiliate the name(s) of the player(s) and their jersey number must be clearly identified on the game report by writing "AP" or "AG" by their name.

The **Maximum** number of players listed on a game report:

NOTE: **"players" includes** goaltenders, skaters and affiliates.

When using no affiliates.....	18 players
When using affiliate(s) as skater(s) only.....	12 players
When using affiliate skater(s) plus an affiliate goalie.....	13 players
When only using an affiliate goalie	18 players

****No more than 5 affiliate players in any one game****

For ALBERTA Teams:

Affiliate players must be registered on your TRF (team registration form) as per the Ringette Alberta Operating Policies and Procedures.

For OUT-OF-PROVINCE Teams:

- A. A team may have affiliated with it, a player (s) in a lower level of the same age group and or player(s) of the same level in a lower age group from within the same community or boundary. (For example, a U16A team may have affiliated with it, U16B players or U14A players. However, a U16B team may NOT have a U14A player affiliated with it)
- B. The team using the affiliated player must have written permission from the coach of that player's regular team (without this permission the affiliated player will be deemed ineligible). We must also have a copy of the affiliate players' regular team provincial registration.

Modifications for the Active Start and U10S1 & U10S2 Divisions

When possible, small nets will be used for AS and U10S1 and U10S2 games, but due to limited locations may not always be available.

Active Start Division will follow Ringette Calgary policy:

1. A maximum of 1 coach from each team is allowed on the ice and must wear skates and CSA approved protective head gear.
2. Games will be full ice with referee(s).
3. Blue lines will be worked in, but not strictly enforced.
4. Time will be posted on the scoreboard but scores will not.
5. Game reports will be used for the purposes of tracking the 3 goal per player limit.
5. No penalties will be called, but rather, the penalty will be explained to the offending player by the referee to facilitate learning of the rules.
6. No Goalie Equipment will be used other than a goalie stick. Goalies will change every shift. 6 players will go out for a line change – one of them will play in goal for that shift. The next shift a new player will play goal. Players will not play goal for an entire game.

U10 (Steps 1 & 2) will play a friendship series where all participants will receive a participation medal. The structure will be random round robin. There shall be no overtime (a tie is a tie). Teams must change ends for the second period. Scores shall be posted on score clock with a maximum 5 goal spread. Penalties shall be served. Teams may not substitute for the penalized player.

• For the U10 Step 1 division:

1. No coaches are allowed on the ice;
2. Games are two 20 minute stop time periods, with no 2-minute buzzer. Players are expected to make shift changes "on the fly".

• For the U10 Step 2 division:

Games will be played according to standard ringette rules and are two 18 minute stop time periods with NO shot clocks.

For the U10 Step 3 division:

1. There will be Medal Rounds
2. Games will be played according to standard Ringette rules and are two 18 minute stop time periods with NO shot clocks.

NOTE: For ALL U10 games: *****Max 3 goal limit per player**
No Keely Blockers for U10 (all levels).

Tie-Breaking Rules

Round Robin Team Standing Rules

POINT STRUCTURE - Teams receive **2 points for a win, 1 point for a tie, and 0 points for a loss**. At the completion of round robin play, teams will be ranked according to the total points in all games played.

Breaking of Ties in Team Standings

Note: Regardless of game score, only a SEVEN goal difference will be credited in applying these rules.

When two or more teams have an equal number of points after round robin play, the teams will be ranked according to the following rules:

- A. In cases where the tied teams have played an equal number of games against each other, the **winner of more game(s) between each other during the round robin** will be declared the highest position.
 - i. If still tied, teams shall be ranked according to the difference between goals for and against **in games between the tied teams in round robin play**. The team with the **highest positive difference** shall be ranked highest, the team with the second highest positive difference shall be ranked next, the team with the third highest positive difference shall be ranked next, etc.
 - ii. If still tied, teams shall then be ranked according to the **least goals against** in games **between the tied teams** in round robin play. The team with the **least goals against** shall be declared the highest position, the team with the second least goals against shall be next, the team with the third least goals against shall be next, etc.
- B. If still tied, teams shall be ranked according to the difference between **goals for and against in all games played in the round robin**. The team with the **highest positive difference** shall be ranked highest, the team with the second highest positive difference shall be ranked next, the team with the third highest positive difference shall be ranked next, etc.
- C. If still tied, teams shall be ranked according to the **least goals against in all games played in the round robin**. The team with the **least goals against** shall be declared the highest position, the team with the second least goals against shall be next, the team with the third least goals against shall be next, etc.
- D. If still tied, teams shall be ranked according to the **highest ratio** of goals for divided by the sum of goals for plus goals against for games **between the tied teams** in round robin play. The team with the highest ratio shall be ranked highest, the team with the second highest ratio shall be ranked next, the team with the third highest ratio shall be ranked next, etc.
- E. If still tied, teams shall be ranked according to the **highest ratio** of goals for divided by the sum of goals for plus goals against **for all games** played in the round robin. The team with the highest ratio shall be ranked highest, the team with the second highest ratio shall be ranked next, the team with the third highest ratio shall be ranked next, etc.
- F. If still tied, teams shall be ranked according to the **least total penalty minutes** for all games played in the round robin. The team with the least penalty minutes shall be declared the highest position, the team with the second least penalty minutes shall be next, the team with the third least penalty minutes shall be next, etc.
- G. If still tied, teams shall be ranked according to the **time required to score their first goal** for all games played in the round robin. The team scoring the earliest goal shall be ranked highest, the team scoring the second earliest goal shall be ranked next, the team scoring the third earliest goal shall be ranked next, etc.
- H. If still tied, teams shall be ranked by a coin toss.

NOTE: Each step of the tie breaking rules shall apply to all teams involved in the tie.

ie. According to rule B, the White team has a difference of 5 goals, the Red team has a difference of 3 goals and the Blue team has a difference of 2 goals. White team shall be ranked highest, Red team next and Blue team shall be third among these tied teams.

If three (3) or more teams are involved in the tie, the tie breaking procedure shall only revert to A if teams are still tied after the application of subsequent rules. ie. According to rule B, the White team has a difference of 5 goals, the Red team and the Blue team are still tied at 3 goals difference. White team shall be ranked highest, revert to rule A to break the tie between the Red & Blue teams.

"WILD CARD" teams are determined by using the round robin standings (and tie breaker rules if required) to find the highest place team who did not qualify as 1st or 2nd in their pool.

Breaking of Tie Scores in Games

- If a **ROUND ROBIN** game is tied at the end of regulation time, each team will be awarded **1 point**.

If a **QUARTER, SEMI or FINAL** game is tied at the end of the second half:

The referee will determine how much time is left on the permit and determine what step of overtime will take place.

If the referee determines that time permits teams will play a **"four on four"** (plus a goaltender) **5 minute stop time SUDDEN VICTORY** overtime period:

- Penalties assessed in regulation time shall carry-over to the overtime period, if a team has one player serving a penalty, regular Ringette rules will apply and only 2 players will be allowed in the defensive zone. Possession of the ring will be determined by a coin toss.

If the referee determines that **time does not permit for an overtime period** OR, if **no goals were scored in the overtime period**, the winner of the game will be decided by a **Shoot-Out**:

- If an overtime period did not take place, a coin toss will determine the order of the shootout. The winner of the coin toss has the choice to shoot first or second. If there was OT, the team that lost the coin toss for OT will have choice to shoot first or second in the shoot-out.
- Coaches will have 2 minutes to produce their list of shooters (including all skaters on the bench)
- Penalties do not carry over into the shoot-out.

Shoot-Out Procedure:

3 players for each team alternate shots. The winner is declared to be the team with the most goals for 3 players. The shootout will end if it becomes impossible for one team to score sufficient goals to tie the other team.

If it is still tied after 3 shooters from each team have shot, teams will continue one shooter at a time until a winner is determined. No shooter may shoot again until all players have shot. A winner is declared when one team scores and the other does not in sudden victory format.

- * **If at any time during the shootout the referee determines there is no more time left on the permit and no winner has been determined, a coin toss will determine the winner.**

Time-Outs:

Each team is entitled to:

- ONE 30-second timeout per regulation game
- ONE additional 30-second timeout in overtime.
